If troubled with rheumatism, give Chamberlain's Pain Balm a trial. It will not cost you a cent if it does no good. One application will relieve the pain. It also cures sprains and bruises in one-third the time required by any other treatment. Cuts, burns, frostbites, quinsy, pains in the side and chest, glandular and other swellings are quickly cured by applying it. Every bottle warranted. Price, 25 and 50 cts at Patrick Bros. drug store.

See notice of Chautauqua program for March 18; this is Veterans Day.

Don't fail to attend Chautauqua on Saturday March 18, Confederate Veterans Day; see program.

Watch for the announcement of a lot of bargains next week; Dug says that they surely have them.

A. R. De Fluent, editor of the Journal, Doylestown, Ohio, suffered for a number of years from rheumatism in his right shoulder and side. He says: "My right arm at times was entirely useless. I tried Chamberlain's Pain Balm, and was surprised to receive relief almost immediately. The Pain Balm has been a constant companion of mine ever since and it never fails." For sale by Patrick Bros.

Mr. A. B. Nowlin, one of this county's teachers, and who has just finished his school at Ft. Washington, came in this week to spend a few days with his brother here.

A large number of our citizens spent last Saturday at DeFuniak, a number of them staying over Sunday. The Saturday excursions are very popular and are well patronized.

We feel thankful to the great number who have subscribed for the BANNER and who have more or less of our clubbing papers with it, thereby getting all the home, general and foreign news.

Mr. J. J. Nickels of Orange Hill, came in Thursday and brought us a ham and some sweet potatoes. Who wouldn't be a country editor if such people as Mr. Nickels lived all over the country?

Somebody said that they believed that the BANNER was here to stay; we have been here nearly five years, all we have is here, hence this is no venture with us. We are here, and thank our friends for past favors.

Esquire D. J. Jones and E. N. Dekle liked to have gotten up an excitement Wednesday morning when they left for Graceville; their team ran with them, but Dan "knew the law and laid it down." No damage done.

We are sorry to lose our friend Mrs. Rose M. Roesser, who has accepted a traveling position with a northern firm. Mrs. Roesser has been a firm friend of Chipley. We wish her success in her new line of business.

One of the bottlers of the Hagerman mill at Hagerman, blew up Wednesday, fortunately no one was hurt, though it was a narrow escape, as there were a number of men standing around. The force of the explosion seems to have gone upward.

We have saved many doctor bills since we began using Chamberlain's Cough Remedy in our home. We keep a bottle open all the time and whenever any of my family or myself begin to catch cold we begin to use the Cough Remedy, and as a result we never have to send away for a doctor and incur a large doctor bill, for Chamberlain's Cough Remedy never fails to cure. It is certainly a medicine of great merit and worth.—S. D. MEARLE, General Merchant and Farmer, Mattie, Bedford Co. Pa. For sale by Patrick Bros.

CONFEDERATE REUNION.

Headquarters
First Florida Brigade, U. C. V.,
Pensacola, Fla., Feb. 22, 1899.

General Order No. 4:
The Brigadier-General, commanding announces that the second reunion of the First Brigade, Florida Division, U. C. V., will take place at DeFuniak on Saturday the 18th day of March, 1899. With a graceful courtesy the president of the Chautauqua has designated this day as Veterans' Day. The veterans will have charge of the Tabernacle from 11 a. m. to 1 p. m.

We will have distinguished speakers to address the veterans, besides other exercises which will be interesting. Comrades let have a grand turn out and honor the memory of our dead comrades, and stimulate a deeper interest in the objects of our noble organization.

A regular program will be arranged and carried out at this reunion, embracing the election of a commander for this year.

The commander would urge upon the camps to take immediate action in electing delegates to represent them, and to work up an interest in the meeting so that West Florida will have a grand time. The rates on the railroads will be extremely low, and the train all arrive on time.

GEORGE REESE,
Brig.-Gen. 1st Florida Brigade.
W. L. WITTICH, Adj.-Gen.

It is very hard to stand idly by and see our dear ones suffer while awaiting the arrival of the doctor. An Albany (N. Y.) dairyman called at a drug store there for a doctor to come and see his child, then very sick with croup. Not finding the doctor in, he left word for him to come at once on his return. He also bought a bottle of Chamberlain's Cough Remedy, which he hoped would give, some relief until the doctor should arrive. In a few hours he returned, saying the doctor need not come, as the child was much better. The druggist, Mr. Otto Scholz, says the family has since recommended Chamberlain's Cough Remedy to their neighbors and friends until he has a constant demand for it from that part of the country. For sale by Patrick Bros. druggist.
